BRIKHYA BANDHU USER MANUAL

For Institutions and Student

Student registration • Plantation photo upload • Certificate download

Towards a Greener Assam: 1 crore saplings, tracked from the ground up.

Brikhya Bandhu is the digital backbone of Assam's statewide plantation pledge — registering every student planter, logging every drive, and verifying every sapling with a geo-tagged photo, from the field to the district office.

About Brikhya Bandhu

Workflow

1. The institution registers the student.
2. The system creates a student registration number.
3. The institution gives the registration number and default password to the student.
4. The institution or student uploads plantation photographs.
5. The certificate becomes available after at least two photographs are uploaded.

Institution Login

Use the institution credentials already provided to the school or college.

1. Click Institution Login.
2. Enter the institution username.
3. Enter the password.
4. Click Login.

Marked areas show where to click and where to enter the login details.

PLEASE NOTE

Before you log in

- Schools and colleges can log in using the login credentials already provided to them.
- Once logged in, institutions can register their students directly from their dashboard.
- On registration, a **registration number and password** will be generated and displayed for the student.
- All users — including school and college admins — are requested to **update their default password** after logging in for the first time.

FIRST LOGIN

Change the default password after signing in for the first time.

Institution Guide

The institution dashboard shows the institution profile and registered students.

Institution Dashboard

1. Click Students to open the student list.
2. Click Add Student to register a student.
3. Click Plantations to open a student's plantation records.
4. Click Edit to edit student details.
5. Click Logout when the work is complete.

The screenshot displays the Brikhya Bandhu Institution Dashboard. On the left is a dark green sidebar with the logo 'Brikhya Bandhu' and a 'MAIN' menu containing 'Home' and 'Students' (the latter with a red badge showing '2'). The main content area has a light green header with the institution name 'DURXXXXXXXX BIXXXXXXXXX HIGH SCHOOL' and a 'Logout' button. Below this is a sub-header 'Restricted dashboard for the logged-in institution.' and three action buttons: 'Edit Profile', 'Students', and 'Logout'. The dashboard features four input fields for institution details: 'LOG IN USER ID' (1827XXXX527), 'DISTRICT / BLOCK' (KamXXX MXXXX / GXXXXX), 'HEAD TEACHER' (ChaXXXX KuXXX DXX), and 'CONTACT' (91XXXXXX65). At the bottom, a 'Registered students' section shows 'Students currently registered under this institution.' and a red badge indicating '1' student.

Select Class

Student username will be generated globally in the format **BB#####**, and password will default to the institution UDISE code.

Open Plantation Records

Open the selected student's plantation dashboard before uploading a photograph.

1. Find the student in the registered-student list.
2. Click Plantations.
3. Check the student name and registration number.
4. Click Upload Plantation.

Upload a Plantation Photograph

Complete the plantation details and add one photograph.

1. Click the Plantation date field and click the correct date.
2. Enter the plant name if known.
3. Click Use my current location and allow location access when prompted.
4. Click the photo area and choose one clear photograph.
5. Click Upload Photo.

CERTIFICATE

One photograph is not enough. Upload at least two photographs to make the certificate

Download Certificate

The certificate can be downloaded from the website after the student becomes eligible. The design below is only a sample example

Change Institution Password and Log Out

Change the default password as soon as possible.

Change the Password

1. Click Change Password in the left menu.
2. Enter the current password.
3. Enter and confirm the new password.
4. Click Change Password.

Log Out

- Click Logout after completing the work.
- Close the browser on a shared computer.

PASSWORD SAFETY

Use a strong password and do not share it through public messages or screenshots.

Student Guide

Students can sign in with the registration number and password provided by their institution.

Student Login

1. Click Student Login.
2. Enter the registration number.
3. Enter the password.
4. Click Login.

Marked areas show where to click and where to enter the login details.

The screenshot shows a login interface with the following elements and numbered callouts:

- 1**: Points to the "Student Login" button.
- 2**: Points to the "Registration Number" input field, which contains the text "BB00XXXX08".
- 3**: Points to the "Password" input field, which is masked with dots. A "Show" button is located to the right of the field.
- 4**: Points to the "Login" button at the bottom of the form.

Other visible text includes "Welcome back", "Login to log plantation drives for your district.", "Institution Login", "CAPTCHA MASKED", and a "Refresh" button.

PLEASE NOTE

Before you log in

- Schools and colleges can log in using the login credentials already provided to them.
- Once logged in, institutions can register their students directly from their dashboard.
- On registration, a **registration number and password** will be generated and displayed for the student.
- All users — including school and college admins — are requested to **update their default password** after logging in for the first time.

Student Dashboard

The dashboard shows the student details, institution details, uploaded photographs and certificate status.

- Click Upload Plantation to add a photograph.
- Click Change Password to create a new password.
- Click the download icon when Certificate ready appears.
- Click Logout when finished.
